## **KATIE BURGESS: FIGHTING FOR FAZAKERLEY EAST**

**For too long areas like Fazakerley East have been taken for granted by Liverpool Labour - and now their local councillors can't even be bothered to stick around for a full term. You deserve BETTER!**

We have seen catastrophic mismanagement of our council (which we are all paying for now), huge increases in our council tax, and constant attempts to build on our green spaces.

Meanwhile the Liberal Democrats did nothing - they left it to local communities to step up and fight back.

Enough is enough. It is time for new voices in the council chamber who will hold

Labour to account and fight for Fazakerley East. If elected, I will fight to:

- Tackle illegal parking, especially around Aintree University Hospital
- Freeze council tax
- Support Fazakerley Primary School in improving its Ofsted rating
- Force Liverpool Council to fix our roads - there are too many potholes.

### **WE WANT TO HEAR FROM YOU!**

**Fazakerley has been taken for granted by Labour - it's time for a change.**

Katie wants to know the issues that are affecting you. For too long the Labour council has been distracted by the Joe Anderson saga, public in-fighting, and a constant flow of scandal, incompetence, and resignations.

This means your priorities get ignored.

A Conservative councillor would put your issues first, and fight for your best interests - not what is in the best

### **MORE LABOUR CORRUPTION?**

**We have all heard about the Joe Anderson saga. But did you know 14 Liverpool Labour councillors were caught getting their parking tickets WRITTEN OFF by the council?**

As always with this Labour council, it is one rule for them and another for you.

Use this by-election to tell Liverpool Labour enough is enough.

Vote Conservative in the local elections and join my fight to bring integrity back to our council.

# LABOUR COUNCILLOR ABANDONS FAZAKERLEY EAST!

Residents are shocked that Liverpool Labour councillor Frazer Lake has abandoned the voters of Fazakerley East - just 3 months after his election.

It should be an honour to represent Fazakerley East in the council chamber, but now residents suspect that the ex-councillor was just using it as a bit of extra income before

moving to work for Unite the Union.

**We hope he lasts longer in that job than he did as councillor!**

Katie Burgess would be your voice in the council - no ifs, no buts. And unlike Labour councillors, she won't be told how to vote, so she will always stand up for YOU.

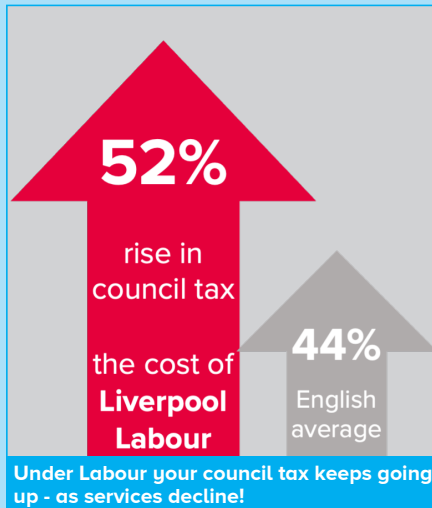

## COUNCIL TAX UP BY 52% UNDER LIVERPOOL LABOUR

Research by Katie Burgess and the Fazakerley Conservatives has found that, since Labour took control of the council in 2010, council tax has rocketed by 52%.

Liverpool has seen the 10th highest increase in council tax out of 285 others - outpacing the English average.

Katie Burgess, Conservative candidate for Fazakerley East, says "Hard-working families are facing a cost-of-living crisis, but nobody seems to have told Liverpool Labour. Only the Liverpool Conservatives are campaigning to freeze council tax. If elected, I will vote to freeze council tax and leave that money in your pockets."

## News SNIPPETS

### WHY DID FRAZER LAKE ABANDON FAZAKERLEY EAST?

Some residents think ex-Cllr Lake took the job with Unite the Union - after being elected just 3 months ago - because of his previous failings running Liverpool's children's services department.

Under his watch, Liverpool's children's services were rated as "inadequate" in four out of five of the key areas - including the overall rating.

Although it's good news that Frazer Lake can't mess up any other council services, residents saw he was rewarded for failure by being promoted to oversee adult social care!

Liverpool Labour reward failure - our city deserves better. Send a message by voting Conservative in the by-election.
